

ELANDURA

LUXURY RIGID CORE PLANKS

Excellent choice for Single & Multi-Family, Projects, Mainstreet Projects, Light Commercial Projects

UMBER

CERTIFIED SAFE

Contains no PVC, formaldehyde, phthalates, or plasticizers and is GreenGuard Gold and Blue Angel certified. Low VOC emissions means it's better for you and safe for your family

DURABLE PERFORMANCE

Designed to withstand the challenges of everyday life in the busiest of households. It can stand up to spills, scratches and pet accidents, and will not fade or stain. Steam mop approved, AC4 wear layer rating and touch-up marker available.

DIRECT TO CORE DIGITAL PRINTING

Gives so many more design options and realistic visuals.

FEATURING PVC-FREE CONSTRUCTION

The Elandura collection is a new generation of health-conscious flooring. Featuring a mineral composite construction, Elandura floors are **waterproof, highly durable, and 100% free of PVC.**

Elandura is also **low maintenance**, requiring no special cleaning agents, and is safe to wet, steam, and damp mop.
