

SONO ECLIPSE

RIGID CORE LUXURY VINYL

Excellent choice for Single & Multi- Family, Projects, Mainstreet Projects, Light Commercial Projects

CERTIFIED SAFE

Contains no PVC, formaldehyde, phthalates, or plasticizers and is GreenGuard Gold and Blue Angel certified. Low VOC emissions means it's better for you and safe for your family

DURABLE PERFORMANCE

Designed to withstand the challenges of everyday life in the busiest of households. It can stand up to spills, scratches and pet accidents, and will not fade or stain. Steam mop approved, AC5 wear layer rating and touch-up marker available.

DIRECT TO CORE DIGITAL PRINTING

Gives so many more design options and realistic visuals.

SHERIDAN BAY

FEATURING PVC-FREE CONSTRUCTION

SONO Eclipse is PVC-free rigid core flooring crafted using durable food-safe, medical-grade polypropylene, most commonly used to make a variety of consumer products such as baby bottles. By combining polypropylene with a mixture of natural minerals we can create a composite core that is **PVC-free, waterproof, inert** and **strong** enough to withstand the rigors of daily use in the busiest households.
