READY TO SHIP

Our best selling colors
available in 1 week in
6'6" rolls

FOR UP TO 500 YARDS

Melodia

Like a perfectly-composed song, Melodia (formerly 2.0 and 3.0) vinyl flooring is a harmonized blend of durability, economy and aesthetics. Its tough, UV-cured polyurethane surface treatment and solid homogeneous construction sustain color and pattern over the long haul. The non-directional design and color palette coordinate with the Aria Collection to create spaces in harmony with the needs of healthcare, education and other high traffic segments. The versatility of tiles allows each floor to be a unique design.

Aria

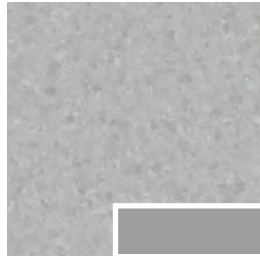

Designed for heavy traffic applications such as education and healthcare facilities, Aria 3.0 is a homogeneous vinyl flooring solution for areas where hygiene and resistance are key. Our PUR Reinforced surface treatment (xr²) guarantees enhanced protection and easier maintenance. Aria 3.0 is available in a non-linear pattern with large color chips, color coordinated with the Melodia 3.0 Collection to create spaces in harmony with the needs of healthcare, education and other high traffic segments.
