

iQ[®] Granit[™] SD

READY-TO-SHIP

Our best selling colors
available in 1 week in
6'6" rolls

FOR UP TO 500 YARDS

iQ Granit SD is a permanently static-dissipative vinyl flooring for use in heavy-traffic laboratories, clean rooms and ESD-sensitive areas in hospitals. It delivers the perfect combination of stable and reliable conductivity alongside the proven durability of the iQ flooring range. It is specially designed to coordinate with the colors of the other products and accessories of the iQ Granit multi-solution family.
