

INTRODUCING THE SPARTA COLLECTION

This premium luxury vinyl comes in plank and tile format, is waterproof, and has a premium anti-scratch surface which makes it kid and pet friendly. The thicker Block-Aid Core allows for more stability while the attached pad provides sound dampening, warmth, and comfort under foot. Its also **FloorScore Certified**. Couple these luxury qualities with the authentic wood and stone visuals, you have a floor that checks all the boxes.

A portion of all sales of Sparta goes to support Ronald McDonald House Charities.
